Offenburg, Germany

38 Rooms / EUR 140 – 625

Inside a former prison built for political radicals shortly after the French Revolution, Hotel Liberty explores the notion of freedom through fine cuisine and spacious rooms. On the German-French border in the city of Offenburg, the property is home to the fine dining grill restaurant Wasser & Brot, which serves contemporary French cuisine under Michelin-starred Chef Jeremy Biasiol, while the mezzanine floor Lounge offers locally inspired tapas and high tea. The 38 rooms and suites feature oak floors, distressed leather, and handcrafted furnishings, and the hotel also plays host to an atmospheric bar serving local spirits, a library, the La Cave wine bar, and meeting spaces for up to 25 people.
