

Welcome to WASSER & BROT!

You are in the former prison yard of the correctional facility, where 170 years ago the freedom fighters of the Baden Revolution took their daily exercise.

An glass cube connects the two former cell blocks and now houses the restaurant, lobby and bar.

High sandstone walls and barred windows form a dignified reference to history – cosiness paired with uniqueness!

The Ortenau region in particular offers a wonderful selection of products that serve as inspiration for our cuisine. The cornucopia of local and regional delicacies leaves nothing to be desired and is combined with the best from around the world – empathy meets creativity.

Enjoy the unique ambience and cosy comfort as well as the blazing fire at our open grill, while we prepare the food before your eyes.

We wish you a wonderful stay at LIBERTY!
